EQUAL OPPORTUNITIES POLICY

In common with all local authorities, Lytchett Matravers Parish Council has a general duty to consider Equal Opportunities in the exercise of any of its functions. To this end, the Parish Council does not discriminate against any person on the basis of race, gender, sexual orientation, marital status or any disability.

The public are made aware of this duty, and council members reminded of it, by the following statement which has appeared in bold print on every agenda issued by the Parish Council since February 2003:

“Members are reminded that the Parish Council has a general duty to consider the following matters in the exercise of any of its functions: Equal Opportunities (race, gender, sexual orientation, marital status or any disability); Crime & Disorder; Health & Safety; and Human Rights.”
